

## **CRONOPOWER 5 YEAR WARRANTY**

Cronopower warrants its MotorTaps™, PowerHubs™, and Motor Cables to be free from defects in material and workmanship under normal and proper use for a period of five years starting from the date of purchase.

Cronopower's only obligation shall be to repair or replace defective equipment which does not conform to the warranty. Cronopower shall not be liable for any injury, loss or damage, direct or consequential, arising out of, or the inability to use, the equipment. Before using, Buyer and/or the end User shall determine the suitability of the product for its intended use, and User assumes all risks and liability in connection therewith.

### **EXCLUDED FROM WARRANTY:**

- If the product has been opened, dismantled or returned with clear evidence of abuse or other damage.
- If usage, adaptation or installation are not in accordance with our installation and wiring instructions.
- If Cronopower's written instructions for installation and wiring of connections have not been followed.
- If the power bus is connected to any Ethernet products (e.g. computers, routers, or switches).

All costs related to installation and reinstallation of the Cronopower equipment covered by this warranty are not the responsibility of Cronopower. Cronopower will not be responsible for any consequential damages during the following installation procedures.

If the buyer resells any Cronopower products to another Buyer or End User, it shall include all of the terms and provisions of this warranty in such resale. Cronopower's responsibility to any such Third Party shall be no greater than Cronopower's responsibility under the warranty of the Buyer.
